Fall Course Maintenance

Greetings from the turf maintenance department!

Well the weather has certainly changed for the better, who would have thought a few weeks ago that we actually could use a bit of rain. Fall provides us with the opportunity to improve the health of the golf course for the coming year. We began aerating and seeding new and improved grasses around the course to continue our mission to provide you with the best possible conditions from day to day. With the greens, tee aerations, and seeding being completed our attention now turns to the rough. You may from time to time see roped off areas on the course, we ask you to go around these ropes as we are protecting fragile turf or seed. As always your welcome to find me on the course with questions or comments. Enjoy the great golfing weather and hopefully we will see you on the course soon!

October Pro Shop Special: Buy 1 Clothing item at 35% off or Buy 2 Clothing items at 50% off. In stock items only. Shirts, Shorts, Sweaters, Jackets are included in the sale. (Hats are excluded).

Post and Rope Removal

We have started removing some of the permanent post and ropes around the greens and some fairways. This will help speed up play and allow the maintenance crew to a better job cutting the ruff and fairways. One of the most noticeable changes is on hole #7 where you can now drive on the fairway up to the creek, then you must get back on the path. When exiting the cart path, it is always best to vary your exit so that you're not driving where everyone else has driven. This will limit compaction and keep the grass good and healthy in most areas. As always, we appreciate you following the course signs, arrows and cart policies. It does make a difference.

Bridal Showcase: Bean/Pitti

Monica, from Foristell, is a Medical Assistant at Missouri Endocrine and Diabetes Center. Kevin, from Wentzville, is a Receiver at Etrailer. They met in December 2014 through mutual friends on a night out and have been together for seven months.

Monica and Kevin went to Bennett Springs for a family fishing trip in July. After their first day of fishing was complete, they posed in front of the water fall for a family picture and for Monica to show off the first ever trout she caught. Little did she know, Kevin had the ring in his fishing vest all day. Shaking, he got down on one knee

and popped the question with his parents and brothers close by. Of course she said yes!

Three words Monica and Kevin hope describe their wedding are fun, beautiful, and memorable. They chose Bear Creek because they wanted a beautiful location that was within their budget and somewhere that was close to home.

Bear Creek Turkey Bear Open

Join us on Friday, November 25th at 11:00am for the Turkey Bear Open! All players will participate in Flighted Prizes and Closest-to-the-Pin contest. The \$55 per person entry fee includes 18 holes of golf, dinner, and beverages afterwards. We have an optional Big Skins Game for those looking for more competition. We know everyone is starting to plan their feast with their families on Thursday and then Black Friday shopping on Friday, so this might be a great opportunity for the rest of us to keep the fun going. ***Sign your team up early! Call 636-332-5018 for more information.***
