## Great Fall Weather!

Lots of activity around the course with the current nice weather. Its good to see November golfers with shorts on instead of bundled up hopping out to hit, then diving back into a warm covered cart. As for my department the warm weather keeps us moving as leaves are falling rapidly and grass is still growing like mad. This time of year also has us shifting into project mode as look to improve the course for next year. Finally we would like to thank all of you for coming out and playing Bear Creek! Enjoy your upcoming Thanksgiving holiday and we look forward to seeing you all soon!

Greens Superintendent, Ben Sontheimer
