### **Guess Who Got an Eagle**

*Shout out to David Olson who shot an Eagle on Hole #1 from the Silver Tees- 165 yards- with a 3-wood. Great job David!*

### **Come Have Lunch at Bear Creek Golf Club**

*The weather is clearing up and we are in the consistent 60's and higher. I appreciate all the compliments coming into the kitchen regarding the new daily menu! There have been some items taking the spotlight, for example the Pretzel Sliders. These sliders come in an order of three and are served on grilled pretzel rolls with house roasted beef, hand battered onion straws, and sliced Swiss cheese, and are accompanied, as a roast beef sandwich should be, with a rich au jus and zesty horseradish sauce. Also, new this year on the beverage side of things, we are carrying the new Best Damn Root Beer and Best Damn Cherry Cola. These two flavors will bring an adult taste to your childhood favorites; give one a try next time you visit! Thank you for making Bear Creek your home golf course and new favorite place for lunch! See you soon!*

*- Executive Chef, Ben Kendig*

### **Greetings from the Grounds Department**

*As I write this, change is in the air. The change from winter to spring is evident. Trees, flowers, bulbs are popping open in a showy display and our arch enemy- poa- rears its ugly head. A part of the change, we are going to be more aggressive in our management of the poa. We want a nice, smooth putting surface and have begun taking the necessary steps to provide that. Hopefully over the next few weeks, this difference will be noticed and enjoyed by all. Other changes have come to Bear Creek as well. Most notably our elimination of the blue, red, and white flags in favor of a hole location sheet. After a few bumps, I believe we have gotten it down and hopefully you enjoy this new approach. As always, you're welcome to find me on the course with any questions or comments. Enjoy your rounds!*

### **2016 Bridal Showcase: Boehlein/Ervin**

*Sara Boehlein and Zachary Ervin are looking forward to their Wedding Reception at Bear Creek on April 30, 2016. Sara, from Florissant, is our Marketing Director/Accountant at Bear Creek Golf Club. Zac, from Davenport, Iowa, works for K-Mac Roofing. They both attended Timberland High School where they were involved in the same activities and had the same groups of friends, but they never crossed paths while in school. After they had both graduated from high school and began college, Sara randomly reached out to Zac and they immediately hit it off. They began dating in September 2010 and have been together ever since. Zac proposed to Sara in their first home together. She had just come home from work and had no idea to expect it. But of course, she said yes! Sara and Zac hope their wedding will be beautiful, memorable, and fun. They chose Bear Creek because it's a venue that Sara is very familiar with and they know the set up will be perfect, the service from the staff will be excellent, and Ben, the Executive Chef, makes THE BEST food. The comfortable atmosphere of the Banquet Room, with its large, stone fireplace, vaulted wood ceilings, and floor-to-ceiling windows, is exactly what they've always pictured for their big day.*

### **Staff Spotlight:**

### **Meet Sara Boehlein!**

*Sara started at Bear Creek as the Event Coordinator/Marketing & Promotions Director in May 2013 and quickly brought life and organization to the position. She obtained an Associate of Arts Degree from St. Charles Community College in May 2011 and then went on to obtain her Bachelor's Degree in Communications at the University of Missouri- St. Louis in December 2013. She took on a larger role in April 2015 as Marketing & Sales Director for the business, which required her to organize all marketing efforts, run online and Pro Shop sales, direct Annual Pass Holder programs, and assist with events as needed. She also coordinates social media, lawn care programs, and customer communication.*

*In July 2015, she added the Accounting responsibilities to her list of duties and handles all Accounts Payable and Receivable. Sara always looks forward to meeting new customers and developing programs that everyone can benefit from and enjoy. Fun Fact: Sara is getting married on Saturday, April 30th and will then become Sara Ervin!*
