August 28, 2016

Issue 63

## WELCOME

The Senior Scramble Newsletter is a weekly publication to keep you informed about what's going on at our Monday and Tuesday Senior Scrambles. Twice each week, Seniors 50+ can come out to play in a 2-Person Scramble. There is no league fee required and each event is \$27 per player for 18 holes with a cart; \$3 of which goes towards a contribution for the cash prize pool and \$2 towards coffee and donuts. Registration begins one hour and thirty minutes prior to tee off for the shotgun start. Upcoming shotgun start times are listed below.

**Register for our E-club to receive Senior Scramble Specials each week when the Newsletter is sent out!**

## Temperature Cool Down

This is just what we've been waiting for . . . temperatures in the 80's, a breeze to go along with it and no rain. OOPS! I just felt a drop . . . maybe I spoke too soon. The golf courses in our area went through extreme heat with no rain in the month of June, then extreme rainfall through the later part of July and August. Wherever you're playing, you will see some brown spots and thinning grass on some greens and there will be grass clippings. You will see tall rough and maybe even water in the bunkers and pot holes on the course. It's been tough - really tough. We really appreciate all the Seniors who have kept their cool under these hot course conditions. Your understanding and respect has been much appreciated. Fall course recovery is well underway; we'll see you on the greens!
