Bear Creek Golf and Social Events

We have a lot of golf and social activities at Bear Creek so please let us know what interests you and we can point you in the right direction. On the golf side, we have golf memberships, am or pm league, public golf, senior scrambles, couples Sunday league, couples Friday night golf, junior league, Adult and junior golf lessons or camps, driving range balls and range memberships. On the social side we have our 2017 social calendar that has Mother's Day Brunch, summer BBQ's, Casino Night, New Year's Eve Celebrating and a whole lot more. Our restaurant is open daily with delicious food and beverage choices so be sure to check out the menu and hours. Weddings, receptions, banquets, rehearsal dinners, birthday parties, reunions and all other fun things you like to do can be hosted right here at Bear Creek Golf Club. Check out our website at bearcreekgolf.com for all the details and please let us help make your experience the best ever.

Greeting from the Grounds Department!

As usual spring has begun with a bit of rain and as I write this more is headed our way. That being the case I'd like to take a second to talk about those dreaded words "Cart Path Only." We do our best to allow you off the path as much as we can, believe me I like it better that way. However, when we do go to the path we hope you can do your best to avoid getting off it. Going around a puddle in the path means your driving through a wet area of grass which takes a beating. And just this once driving a fairway usually leaves a wonderful trail of mud and rutted ground in your wake. So please during these wet periods help us keep the course looking good by keeping all four tires on the path. Enjoy your rounds and as always feel free to contact me with questions or comments. We want Bear Creek to be a course you can brag about and your comments help us achieve that.

Helpful Tips When Attending Bridal Shows!

1. Print out a few pages of mailing labels with your names, address, email, and wedding date. This will save time and your hand from cramping.
2. Create an email address just for your wedding planning. This helps you stay organized and you won't get spam in your main email.
3. Bring your A-Team, leave everyone else at home. These shows are crowded, the less people you bring the better. Also, too many cooks in the kitchen can cause conflict.
4. Make a plan. Visit the most important booths first-like venues, photography, and catering. Then go back to the others later.
5. Bring a tote bag to gather all your information and goodies in. Some booths give out bags, but bringing one is great just in case.
6. Have fun! You will be getting a lot of information, try not to get overwhelmed.
