Issue 106

WELCOME

The Senior Scramble Newsletter is a weekly publication to keep you informed about what's going on at our Monday and Tuesday Senior Scrambles. Twice each week, Seniors 50+ can come out to play in a 2-Person Scramble. There is no league fee required and each event is \$27 per player for 18 holes with a cart; \$3 of which goes towards a contribution for the cash prize pool and \$2 towards coffee and donuts. Registration begins one hour and thirty minutes prior to tee off for the shotgun start. Upcoming shotgun start times are listed below.

Register for our E-club to receive Senior Scramble Specials each week when the Newsletter is sent out!

How is Your Swing!

Our golf swings have evolved into something we are most likely comfortable with now. No matter how good it is or how it looks we are okay with it. It only needs fixing when it's totally broke, so let's keep playing. The problem with this is that you actually see your distances getting shorter each year and sometimes that pain in your back and neck get even worse. Have your partner watch your swing and have them tell you what they think, look in the mirror and swing the club. We might be surprised to see what our swings have evolved into. You can always call the pro for a lesson but that means change, money, and time but that might be a good thing. If you play a lot of golf a lesson is well worth it.
