WELCOME

The Senior Scramble Newsletter is a weekly publication to keep you informed about what's going on at our Monday and Tuesday Senior Scrambles. Twice each week, Seniors 50+ can come out to play in a 2-Person Scramble. There is no league fee required and each event is \$27 per player for 18 holes with a cart; \$3 of which goes towards a contribution for the cash prize pool and \$2 towards coffee and donuts. Registration begins one hour and thirty minutes prior to tee off for the shotgun start. Upcoming shotgun start times are listed below.

Register for our E-club to receive Senior Scramble Specials each week when the Newsletter is sent out!

Club Selection

The club you choose for each shot can have a major impact on the result of the shot so let's try looking a little closer at the shot before we just grab a club. What type of lie do we have, ball sitting up, balling deep in grass, the thickness of the grass matters as well. Choose a more lofted club on a thick grass ball deep in the ruff lie, it's better to get some distance than no distance. If you're on a side hill lie, up hill or down hill lie matters as well. Remember to use a longer club if the ball is below your feet and to choke down on the club if it's above your feet. Hitting down hill you should put the ball further back in your stance and hitting up hill play the ball forward in your stance. Avoiding clubs in your bag can be one of the biggest pitfalls we have. Try and practice with all of your clubs so that when you need that certain distance you have the shot you need.
