Junior Golf Camp Signups

Bear Creek offers Junior Golf Camps during the months of June and July. Each golf camp last one week, Monday thru Friday from 9am-11:30am. The cost is \$125 per student and is a great way for juniors to learn the game or improve the game they have. Juniors age 8-16 will learn to chip/pitch/putt/Full Swing 5 Iron/Full Swing Woods and most importantly the rules and etiquette of playing golf. Individual contest, rules and etiquette test with 5 hole golf tournament will conclude the camp. All the info is on our website at bearcreekgolf.com and you can sign up online or call the pro shop at 636-332-5018. We also offer a summer junior league that plays through the summer so graduating camp members do have a place to play here at Bear Creek.

Greeting from the Maintenance Department!

As I write this we are getting sorted from another large rain. Slowly but surely we hope you will begin to notice the changes being made to the course. Our first step was to get our foundation right, because as we all know a poor foundation means a crumbly house. The bulk of the invisible work is done and now we begin to get into projects that will impact your eye and golf game. Check back with us and see the changes as they come. I also appreciate any feedback you may have, we want our changes to be positive ones and love hearing what you think or what you want to see, and yes we will be working on bunkers so no need to call on that one. Have a great round and as always feel free to drop me a note or stop me on the course and let me know what you think. Thanks for playing!

Chef's Corner

Summer time is just around the corner, when we get these beautiful days and warm weather you can't help but to relax and start those summer dreams. Dreams of vacation, getaways, or back yard bbq's, and yard work, however you dream it is completely your choice; after all it's your imagination. Lets get a little practice in just before summer starts and warm up our imagination...Imagine a restaurant with delicious food and fresh menu items. Imagine an outside eating area with a great view, green grass, and sparkling water. Imagine this restaurant has a chef and service staff ready to take your order and deliver service with a smile. Turn imagination into reality and try Bear Creek Golf Club's Restaurant during dining hours. To go orders are welcome as well!

8 Things you will be happy you did on your Wedding Day!

1. Record a video of yourself praying for your wedding day, and the beginning of your marriage. Text this video to your fiancé the morning of you wedding! Then, turn your phone on airplane mode for the rest of the day!
2. Write each other letters to be delivered by the groomsmen/bridesmaids. Read prior to the ceremony or your first look.
3. Write a letter to your future daughter/son to give to them on their wedding day.
4. After you walk down the aisle, take a moment to look back at everyone in attendance.
5. Spend alone time with your husband. Yes, you do have to pay attention to your guests, but don't forget to have some one-on-one time with your new husband.
6. Take a moment during your reception to go to the corner of your wedding venue and watch everyone you love celebrating your union!
7. Take a selfie video recapping your wedding day. Before driving to your hotel, the airport, or wherever you are headed the night of your wedding...pull over and take a quick selfie video recap of your big day!
8. Go somewhere public in your wedding attire after the wedding. Even if it's fast food, a gas station, or walking from your car to your hotel. It's just fun to be seen as a couple in public after you wedding!
